

WHAT IS DEEP?

The DEEP initiative allows motivated students to earn college credit by taking accredited courses taught by UM-Flint faculty on-site at the school district (starting 2015-2016 some courses will be taught at the UM-Flint campus). DEEP will do exactly what its name implies: deepen the students' knowledge and understanding of course material, while providing in-depth college courses that will prepare students for their university experience.

DEEP program courses are carefully selected in order to avoid competition with AP or other accelerated courses already offered by local high schools.

DEEP programming typically involves a 4 course sequence; 2 courses taught in the fall semester, followed by 2 courses taught in the winter semester. All courses are taught by UM-Flint faculty on-site at the school district; although in 2015-16 some of our K-12 partners have requested classes be taught at the UM-Flint campus. DEEP courses are identical to those offered on campus.

DEEP credits are not concurrent enrollment or an articulated agreement program. Students will receive an official University of Michigan-Flint transcript.

SAMPLE DEEP PROGRAM SCHEDULE

Fall: Course 1, meet Mondays and Wednesdays (75-100 minutes each day)

Fall: Course 2, meet Tuesdays and Thursdays (75-100 minutes each day)

Fridays Tutor Session
(75 minutes)

Winter: Course 3, meet Mondays and Wednesdays (75-100 minutes each day)

Winter: Course 4, meet Tuesdays and Thursdays (75-100 minutes each day)

Fridays Tutor Session
(75 minutes)

Friday tutor sessions are taught by high performing junior/senior level UM-Flint students (many of these students are recruited by UM-Flint faculty). Tutors are hired and trained through the UM-Flint Student Success Center.

DEEP students are UM-Flint college students that happen to still be in high school.

DEEP students are typically college bound, high school seniors with a minimum 3.0 cumulative GPA.

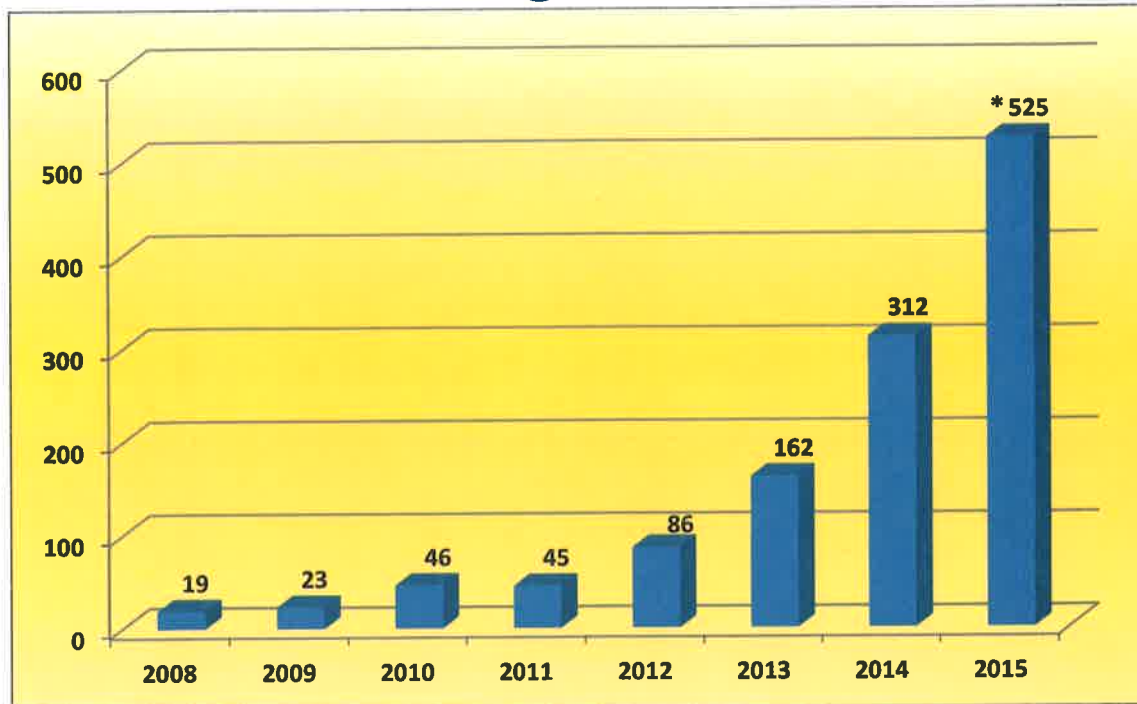

BENEFITS TO STUDENTS

- Earn transferable college credit* while attending high school
- Exposure to the rigor and pacing of college course work
- Ease the transition from high school to college
- Reduced financial burden to families sending students to college
- Students will have access to
 - ✓ Recreation Center
 - ✓ University of Michigan Library system (Ann Arbor, Flint and Dearborn campus as well as online)
 - ✓ The Marian E. Wright Writing Center
 - ✓ Student Success Center
 - ✓ Academic Advising
 - ✓ Many UM-Flint student activities, clubs, etc.

**Although UM-Flint credits are widely transferable, colleges and universities maintain their own credit transfer policies.*

DEEP Program Growth

** Estimated DEEP enrollment for 2015.*

UM-Flint 2015-2016 DEEP Partnerships

Lapeer Community Schools
Lapeer Ed Tech – 5 high schools
Livingston County – 5 high schools
Powers Catholic High School
Utica Community Schools – 4 high schools
Carman-Ainsworth High School
Davison High School
Swartz Creek High School
Flushing High School
Flint Community Schools – 2 high schools
Clio High School
Byron High School

DEEP

DUAL ENROLLMENT EDUCATIONAL PARTNERSHIPS

Western Genesee Consortium

*A partnership with the
University of Michigan-Flint*

Western Genesee Consortium Starting Fall 2015

Carman-Ainsworth, Flushing and Swartz Creek high schools are teaming together to form the Western Genesee Consortium. The Western Genesee Consortium in collaboration with the University of Michigan-Flint will offer students from all three high schools their choice of three unique dual enrollment opportunities:

Carman-Ainsworth will host the **Pre-Engineering Program**
Flushing will host the **Medical/Science Program**
Swartz Creek will host the **Fine Arts Programs** (Theatre/Dance Program & Music Program)

- Earn up to 13 college credits while attending high school
- Significant reduction in UM-Flint tuition and fees
- Experience the rigor and pacing of college classes

**Class of 2016
minimum 3.0
cumulative GPA**

Interested in knowing more about these programs?

Students interested in the **PRE-ENGINEERING PROGRAM**

Tuesday, January 27th, 6:30-8:00 pm

**Carman-Ainsworth High School
Media Center**

UM-Flint faculty from the Computer Science and Engineering Departments will join high school officials for a parent/student information session. The primary focus of this information session will be the Pre-Engineering Program.

Students interested in the **MEDICAL/SCIENCE PROGRAM**

Wednesday, January 28th, 6:30-8:00 pm

**Flushing High School
Auditorium**

UM-Flint faculty from the Biology Department and School of Health Professions & Studies will join high school officials for a parent/student information session. The primary focus of this information session will be the Medical/Science Program.

Students interested in the **FINE ARTS PROGRAMS**

Thursday, January 29th, 7:00-8:30 pm

**Swartz Creek High School
Performing Arts Center**

UM-Flint faculty from the Department of Music and Department of Theatre & Dance will join high school officials for a parent/student information session. The primary focus of this information session will be the two Fine Arts Programs; Theatre/Dance and Music

TO APPLY, SEE YOUR HIGH SCHOOL COUNSELOR FOR THE OFFICIAL DEEP APPLICATION. APPLICATION DEADLINE: FRIDAY, FEBRUARY 20, 2015

Genesee Early College (GEC)

** Estimated DEEP enrollment for 2015.*

- Genesee Early College (GEC) is an intensive state-of-the-art five-year high school, combining the best elements of the high school and early university experience.
- Some of the ways GEC prepares students to excel include:
 - Providing a rigorous high school project and inquiry-based curriculum taught by highly qualified instructors.
 - Preparing students for admission to highly selected colleges and universities and fast-track completion of a baccalaureate degree.
 - Encouraging GEC students to fully utilize UM-Flint support services, such as Academic Advising, computer labs, writing and math labs, the Student Development Center, and more.
 - Coordinating clinical and work-based learning experiences for students, allowing them to experience professional life in their fields of interest.
 - Requiring that students complete a capstone senior project presentation and portfolio to a panel of GEC staff, UM-Flint faculty members, and area professionals.

Cost of 48 credits for a traditional UM-Flint student

***Estimated tuition & fees for 48 credits: \$19,538.00**

**Does not include textbooks, course & student fees may vary; tuition cost may increase (current cost is \$383.75 per credit)*

GBEC - OPTION 1

Includes 3 high school classes in 11th & 12th grade

Cost for 3 year plan - 48 credits

***Estimated tuition & fees for 48 credits: \$852.00**

**Does not include textbooks; course fees may vary; foundation allowance may change; student fees may change*

Savings of \$18,686

GBEC - OPTION 2

Includes 4 high school classes in 11th & 12th grade

Cost for 3 year plan - 48 credits

***Estimated tuition & fees for 48 credits: \$3,112.00**

**Does not include textbooks; course fees may vary; foundation allowance may change; student fees may change*

Savings of \$16,426

Facts

- Students must commit to a 3 year early college program (5 year high school graduation); students cannot transition in and out of the early college program.
- Student transportation is required for the 13th year college courses.
- Students will have the option to participate in all senior activities, though they will not receive their diploma until the completion of their graduation requirements at the end of their 5th year.
- Upon completion, on track students will be 1/3 of the way toward a bachelor degree.
- After graduation, students may continue to pursue their degree at the UM-Flint or transfer their credits to an alternate college or university of their choice.

Monday

November 17, 2014

9:30 am at GBHS Auditorium
GBHS & UM-Flint officials will provide information for interested students during the school day.

Tuesday

November 18, 2014

6:30 pm at GBHS Auditorium
UM-Flint faculty will join Grand Blanc officials for a parent/student information session.

Tuesday

December 2, 2014

6:30 pm at GBHS Auditorium
Additional Q & A session for interested parents and students.

GRAND BLANC EARLY COLLEGE

CLASS OF 2017

**GRAND BLANC
EARLY COLLEGE**

UM-Flint and Grand Blanc High School introduce **Grand Blanc Early College**, a unique opportunity for Grand Blanc students to earn college credits while enrolled in GBHS for a fraction of the cost of traditional college tuition!

Brief Overview

Grand Blanc High School, in partnership with the University of Michigan-Flint, has created an exclusive opportunity for Grand Blanc High School students. Students who choose to participate in this unique opportunity will commit to a five year high school and college experience.

College courses during the 11th and 12th grade will focus on general education courses required for a four year/bachelor degree.

Junior and Senior students will take their high school and college classes on the Grand Blanc High School campus, taught by University of Michigan-Flint professors. Students will transition to the college campus during their 13th year.

Students may select courses geared toward a specific degree during their 13th year of the Grand Blanc Early College program.

GBEC Mission Statement

Grand Blanc Early College will establish high standards, engaging academic experiences and post-secondary opportunities within a supportive environment, resulting in high levels of student achievement.

Benefits

GBEC will expand the traditional view of high school and increase student opportunities while minimizing or eliminating the factors that limit student success in college.

- Earn transferable college credit* while attending high school.
- Completing college courses taught by UM-Flint professors on the high school campus eases the transition from high school to college with dedicated support staff to mentor and guide students.
- Students maintain the ability to participate in HS sports (9th-12th) and after-school activities.
- Reduced financial burden on families sending students to college.

**Although UM-Flint credits are widely transferable, colleges and universities maintain their own credit transfer policies.*

Sample 3-Year Schedule

Grand Blanc Early College Sample Schedule

11th Grade – All classes are held at Grand Blanc High School

First Semester	CR	Second Semester	CR
GB Math	HS	GB Math	HS
GB Science	HS	GB Science	HS
GB English	HS	GB English	HS
*GB Elective (optional)	HS	*GB Elective (optional)	HS
UM-Flint FIN 269 <i>Personal Finance</i>	3	UM-Flint ENG 111 <i>College Rhetoric</i>	3
UM-Flint ART 130 <i>Studio Survey/Materials & Methods</i>	3	UM-Flint HCR 203 <i>Personal Health</i>	3

12th Grade – All classes are held at Grand Blanc High School

First Semester	CR	Second Semester	CR
GB Math	HS	GB Math	HS
GB Elective	HS	GB Elective	HS
GB Elective	HS	GB Elective	HS
*GB Elective (optional)	HS	*GB Elective (optional)	HS
UM-Flint ENG 112 <i>Critical Writing & Reading</i>	3	UM-Flint COM 210 <i>Intro to Public Speaking</i>	3
UM-Flint HIS 114 <i>20th Century World History</i>	3	UM-Flint EHS 220 <i>Building a Sustainable Community</i>	3

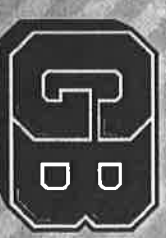

13th Year – Grand Blanc High School class is taken online and all classes for UM-Flint are taken on campus

First Semester	CR	Second Semester	CR
GB Government Online	HS	GB Economics Online	HS
UM-Flint UNV 100	3	**UM-Flint Electives	12
**UM-Flint Electives	9		

*Additional cost applies for the optional GB elective in grades 11 and 12.

**UM-Flint electives to be selected based on students intended major. GBEC students are required to complete a math related course at UM-Flint in the 13th year.

Note: GB electives subject to graduation requirements. Failing required courses will alter the students suggested schedule for completion and may impact the number of college credits received and program completion/graduation.
